In Memory of John R. Castignola

Trenton High's students and staff members have suffered the loss of another fine coach /teacher /counselor, Mr. Jack Castignola.

"Coach Jack" will be remembered for many years for what he has done for the students at Trenton High School and for the community of Trenton. He came to Trenton as a coach and teacher and after many successful years, left us still a coach and not only a teacher, but a fine counselor.

Mr. Castignola cared very much about "his kids". Whether they were athletes or counselees, he gave them everything he had to give. He used every tactic he could think of to get "his kids" to move to their highest potential.

His family was very dear to him. Doris, his wife, and his five children - John, Susan, Steven, Greg, and David - held the largest space in his big heart. He was a man of deep faith in his creator, always giving credit to Him first for the many successes he enjoyed.

Trenton High School will always hold a special place in its great collection of memories for this man, "Coach Jack".

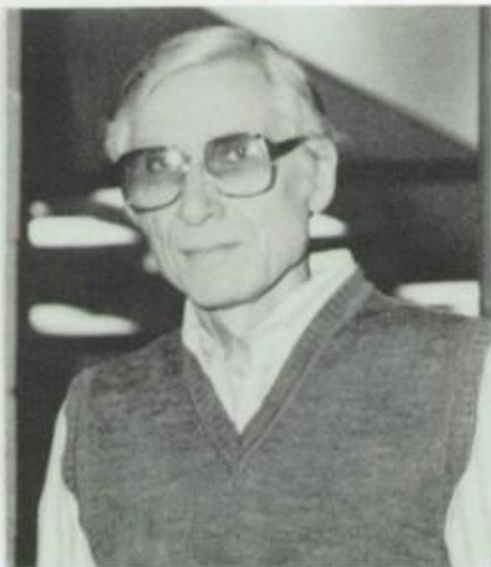

Jack Castignola touched the lives of many people. Obviously, he was known for helping athletes through the "ups and downs" of athletic competition, but he was known as well for the counseling and assisting many students from his counseling office. In school or out in the community, he was always willing to help people with any problems that they had.

Jack Castignola was a great coach. His teams won 235 games, the second greatest number of victories by any coach in the state of Michigan. Given more time, "second" would have been eliminated. That was his style. He always looked for the "best" in people, but at the same time he demanded excellence. Hard work and discipline were a must. He will always be remembered for saying (and believing), "A winner never quits and a quitter never wins."

Besides being a great coach, Jack Castignola was a great friend. He is a once-in-a-lifetime kind of person, and such a man will never be replaced. Thank you, "Coach Jack" for everything you have done and meant to Trenton High School. All the people whose lives you have touched will never forget you.

American society places a high priority on individual excellence. Competition has long been considered a measure of excellence in our culture, whether this competition be in the business world, in the pursuit of scholastic achievement, or in athletics.

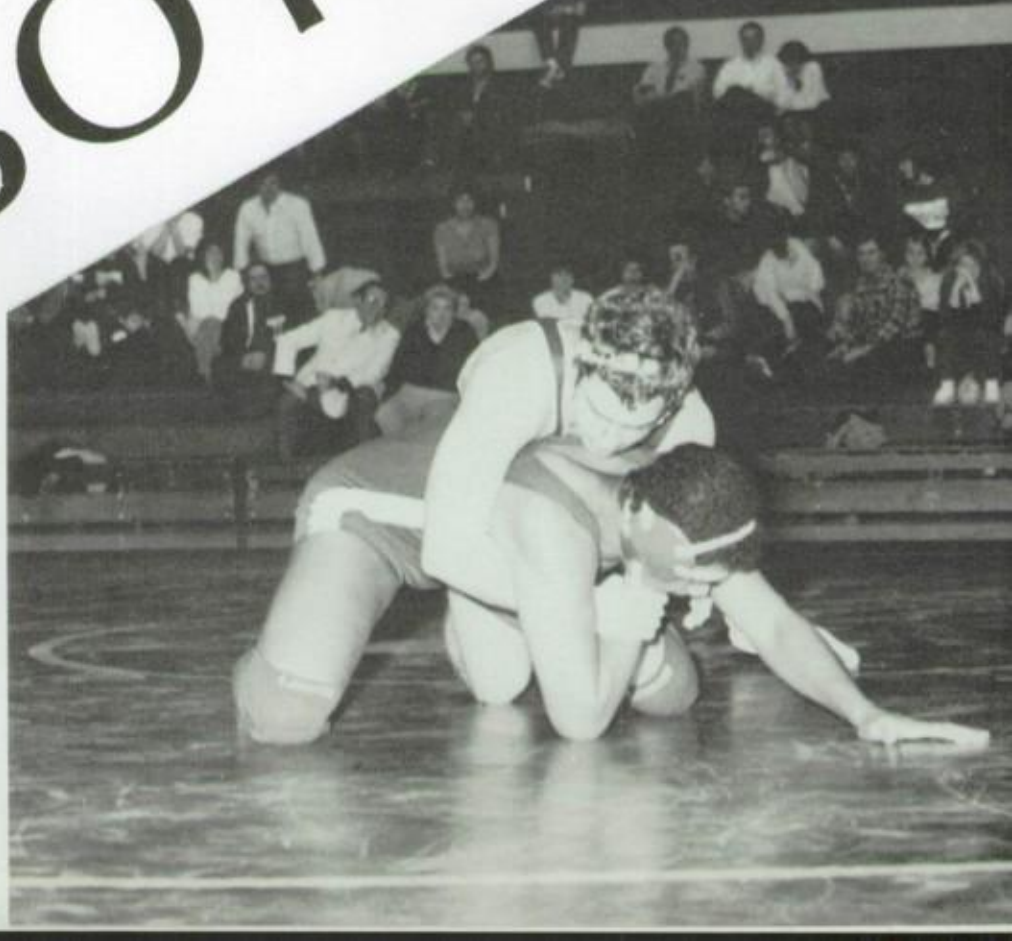

The philosophy of the Trenton High School athletic program is to provide a foundation for basic citizenship through the practice of good sportsmanship and to develop the sound traits of emotional control, cooperation, honesty and dependability.

With the underlying principles taught at Trenton High School, athletes are provided a wholesome outlet for their competitive spirit and learn respect for authority, physical fitness through good health habits, the desire to excel, the spirit of hard work and sacrifice, and the joy of athletic participation.

Educational programs, in their pursuit of excellence, should be cautious not to create a competitive atmosphere so highly charged and intense that they become counter-productive for those they are intended to serve. At Trenton High School, the athletic program is available to all the students, not just a few. Every attempt is made to encourage as many students as possible to share in the benefits of athletic participation. While participation is encouraged, the philosophy and underlying principles of the athletic program are still the primary concerns of the athletic department.

A strong finish, teamwork made it all possible.

Considering the poor turn out and the slow start, the 1985 Cross-Country Team turned in one of the best seasons ever.

The second place finish in the League Meet was a surprise. Last year they were ranked sixth.

The team had no individual stand-outs. Instead they did it all as a team.

Individual performances were highlighted by the one-two finish of Steve Nagy and Rich Truxall at the All Area Meet. Steve Nagy was the only state qualifier.

Trojans undefeated, enter playoffs 2nd straight year!

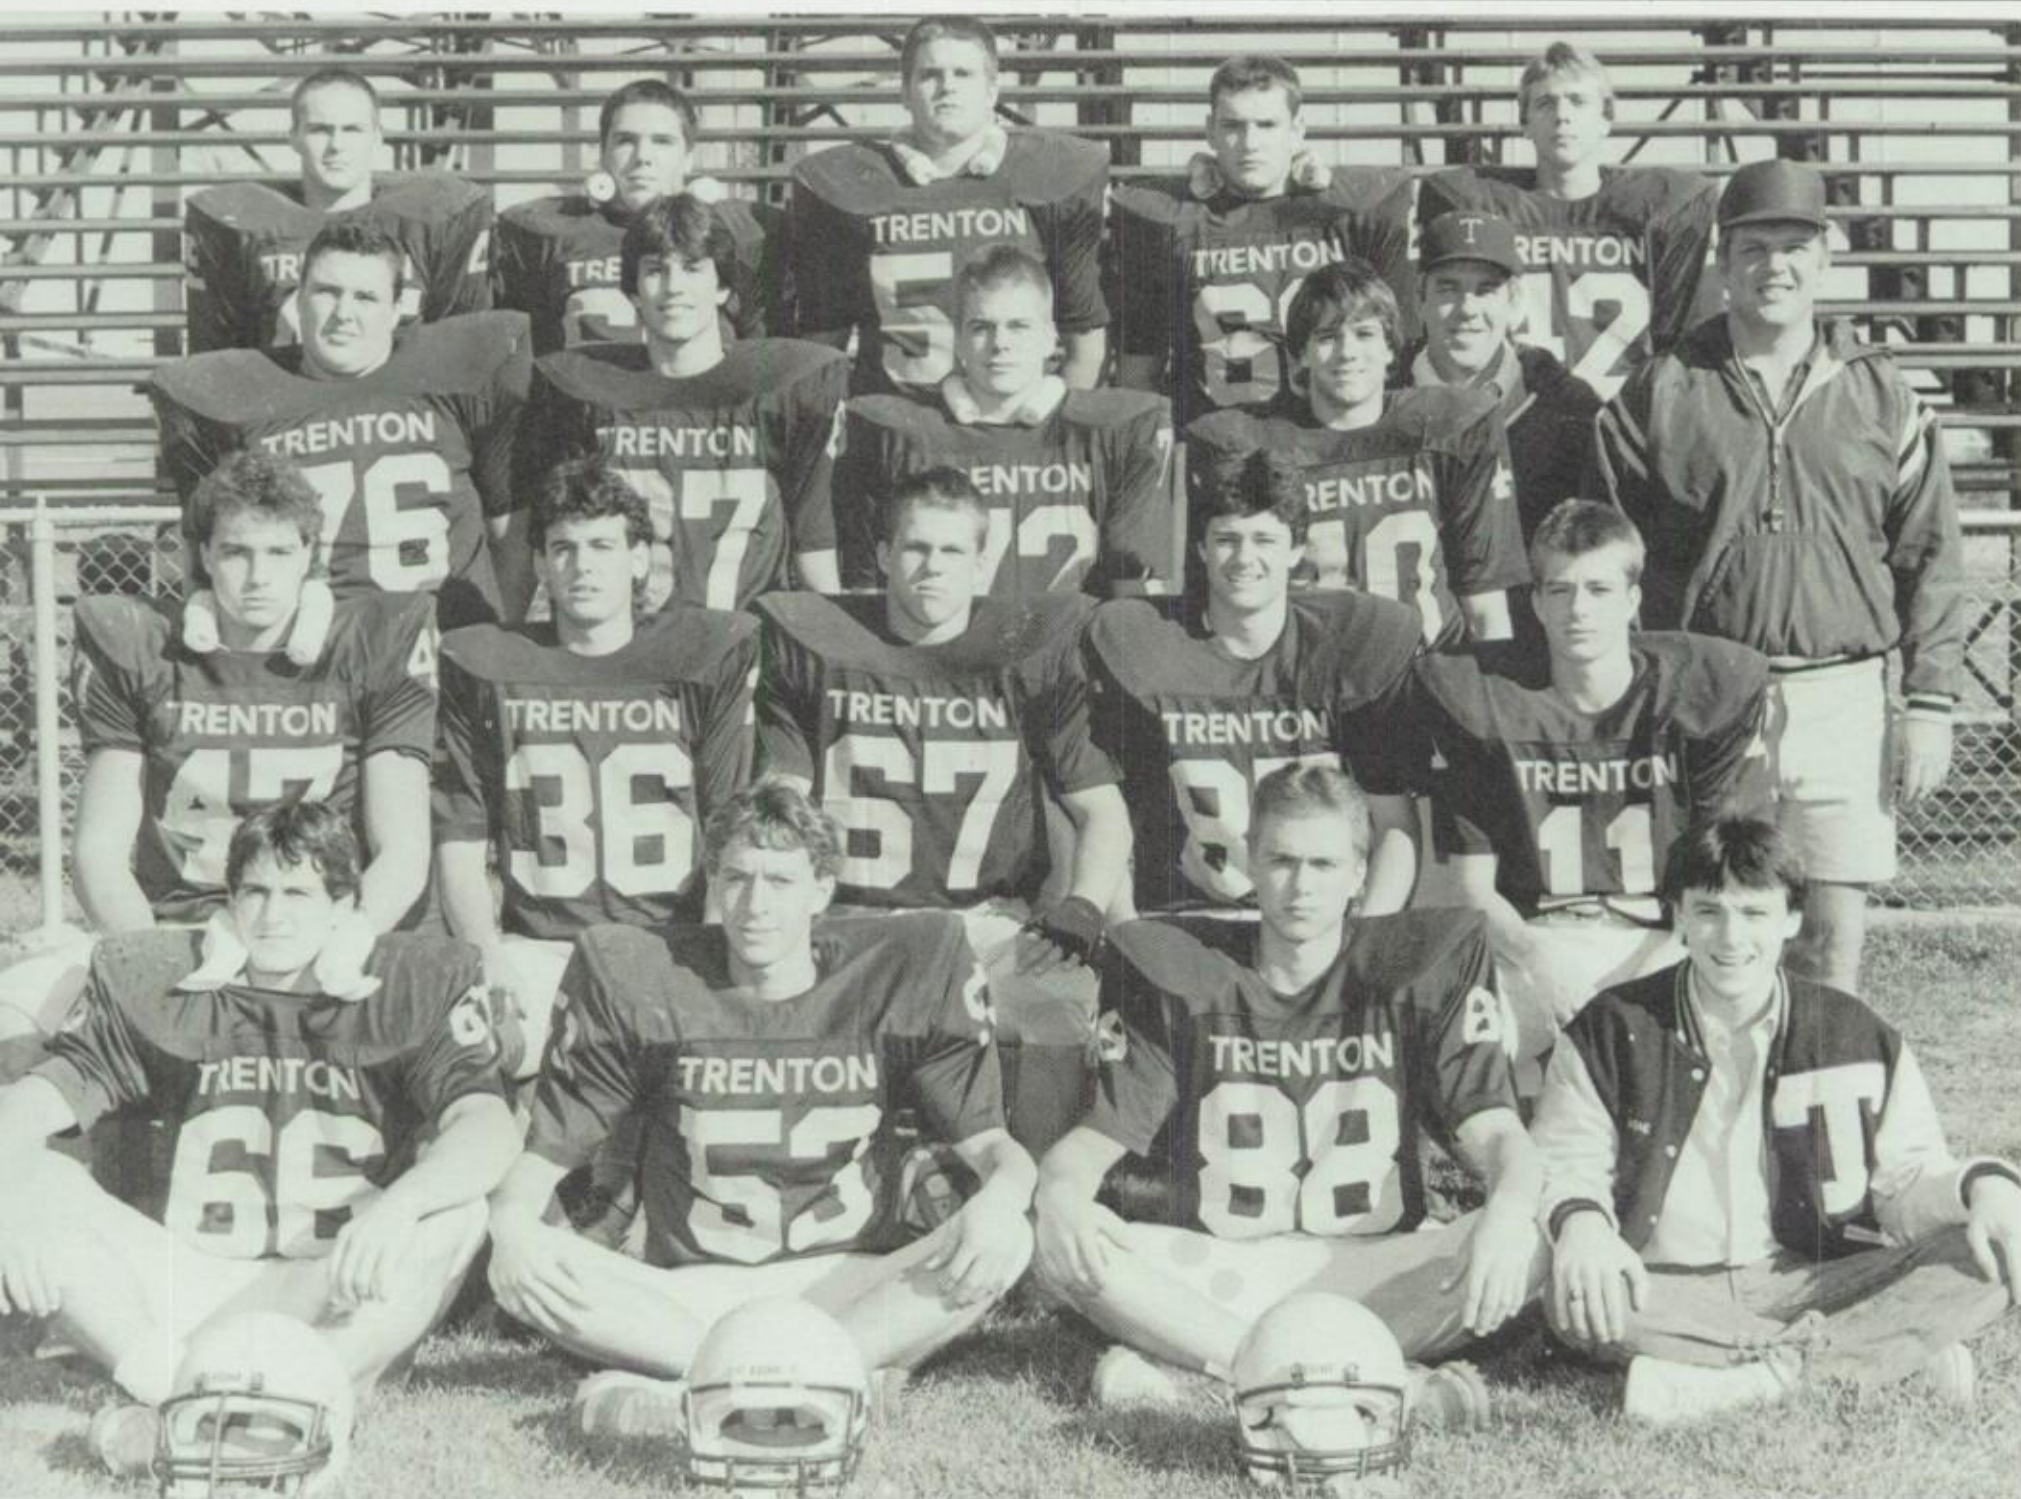

The Trojan Football Team had three goals for every season. They are as follows: win the League Championship, go undefeated, and appear in the State Playoffs. This years Trojans have taken great pride in achieving these goals.

The 1985 undefeated Trenton Trojans represent the sixth undefeated season for Jack Castignola since coming to Trenton in 1964. The 1985 Trojans are also "Coach Jack's" tenth undefeated team in 37 years of coaching.

The 1985 Trojans embodied the spirit of determination, courage, and discipline that has made the Trenton Football program and Coach Jack one of the most successful in the state for the past 20 years.

Hoopsters excel, claims 1st District in 15 years

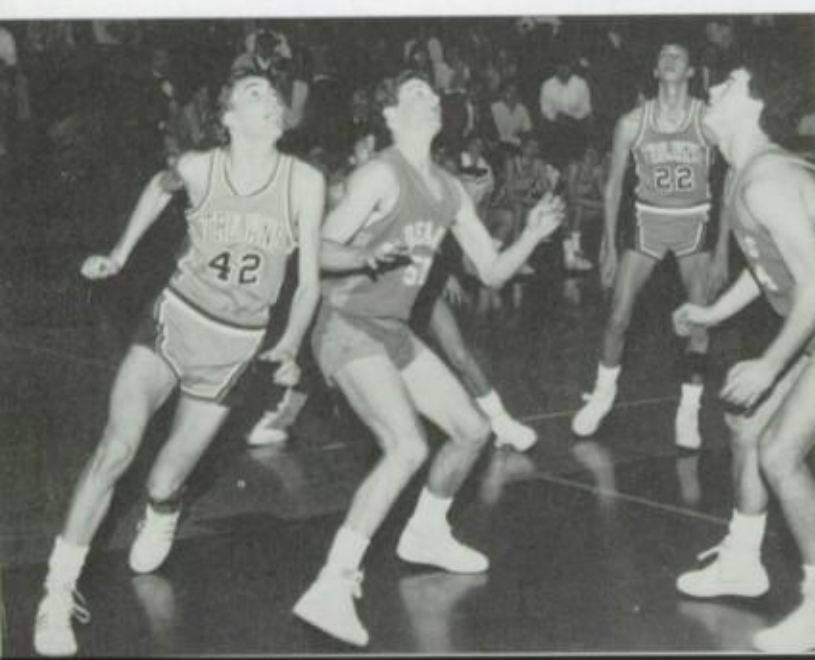

As the season began, the prospects weren't too bright for the Trojan hoopsters. Led by Dennis Wilkie their third head coach in four years, none of the returning juniors and seniors had much varsity experience. The Trojans weren't regarded very highly in many basketball circles, and a 25-point loss to Plymouth Salem in the opening game didn't exactly bolster their reputation. However, things quickly turned around, as the Trojans defeated perennial league-power Monroe just before Christmas. They would go on to beat Belleville in double-overtime and defeat a tough Fordson squad. Despite a season-end slump, the Trojans finished with a 10-10 record and a 6-6 league record, which earned them a 4th place finish in the Wolverine "A" Conference. In District play, the Trojans would avenge two one-point losses to Wyandotte. Trenton went on to capture its first District title in 15 years the next night with a one-point victory over a talented Woodhaven team. Although the Trojans would be eliminated in Regional play by Belleville, they had brought an exciting style of basketball to THS.

Pucksters Dominate State, Win Finale 14-1

We started off the season ranked no. 1 and that's where we finished - State Champions! It was a great feeling to know that we were the best team in the state. And more than anything else, we were a team. A group of guys who worked, played, laughed and cried together. We had to struggle at times but we stuck together and it payed off. In the regional finals against Grosse Pointe South, we avenged our only defeat of the season. The team rolled through the playoffs on its way to becoming one of the most successful teams in the history of Trenton High School.

THS Swimming, "THE PRIDE IS BACK".

"THE PRIDE IS BACK", says it all. THS swimmers wholeheartedly committed themselves to their sport. We have become more goal oriented. They now realize the importance of weight training, two a day workouts, and swimming in a long course pool during the summer. But more important was their personal commitment and willingness to sacrifice. "We're only as good as the last man". In this context we had a tremendous season, one in which new personal achievements were experienced by all.

Boys finish as Downriver Champions

The boys track team had a disappointing dual meet season, with two close defeats to Fordson and Lincoln Park. Yet they did not give up. Their fourth place tie with Fordson was the best league finish for the boys in this new league.

After league, they went on to win the first ever News Herald Championship, giving them bragging rights over the Downriver area. First places were taken by Steve Ward, Anton Nielson, the 440 relay, and the mile relay.

The mile relay of Paul Perugi, Steve Eggleston, Mike Girvan, and Steve Ward qualified for the state meet. Mike Girvan also qualified in the high jump. The season ended on a positive note with this mile relay breaking the school record in time of 3:27.7, placing them in the top 20.

Diamondmen improve, gain respect in league

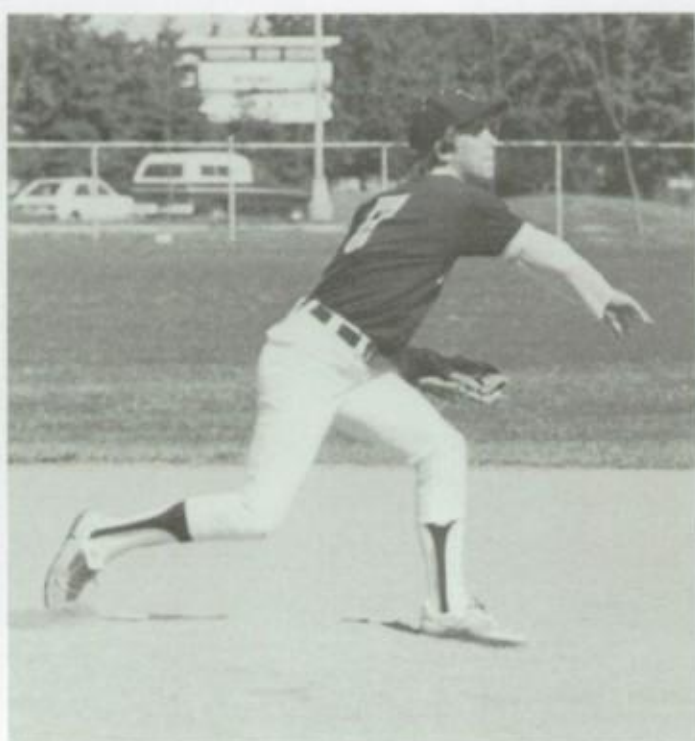

The 1986 Baseball program showed great improvement throughout the season and in comparison with previous seasons. The varsity team won 7 of its last 11 games to bring its overall record to 9-12. This baseball team showed a commitment to excellence, willingness to work, and most importantly, the desire to win. The season was very successful because the total program improved and the attitudes and commitment of players grew to new heights.

Our Tennis Team posted a 10-2 overall record this year. We participated in 3 tournaments in addition to our dual meets, plus a League Meet, Regionals and the State Finals.

The League Meet was held on Oct. 2nd at Monroe High School. The Trenton Girls placed 1st with 18½ pts. With a dual record of 10-0 and a 1st in the League Meet, Trenton became the Wolverine "A" Conference Champions for the 3rd year in a row.

On Friday Oct. 11, the team traveled to Dearborn for Regional play. We took 2nd and had the privilege of traveling to Midland for the State Finals. This was the 4th year in a row. The Meet began on Friday Oct. 18th. We won 3 pts. and ended up 18th in the State.

Gal harriers go undefeated, win League and 4 Invitationals

The 1985 Trenton Girls Cross Country Team had a successful season. They were undefeated in dual meets in and out of the conference. The team attended six invitationals winning four and placing third in the other two.

They achieved one of their major goals by capturing the Wolverine Athletic Conference Championship for the first time. In accomplishing this task they placed five girls on the "ALL WAC TEAM".

During the season a panel of cross country coaches ranked this team from 8th to 15th in the state.

Kristen Zanetti became the first Trenton female cross country runner to achieve the honor of "ALL STATE" by placing 9th in the State Meet. Our senior co-captains Eileen Blicharski and Sue Schultz gave us fine leadership and direction.

Gal roundballers win 24, finish 12th in state.

The Trenton Girl's Basketball Team was the best in Trenton High School history. Broken records and victories made the season one-of-a-kind. Winning league, districts, and regionals topped off the season, leaving great memories.

The 24-2 record put Trenton in the book as the 12th team in the state. One of the many feats accomplished was the record-breaking 1,000 points scored by Brenda McNeil in her 3 year Varsity career. All the girls worked hard for the winning season and surpassed many goals.

Girls Gymnastics continue to improve

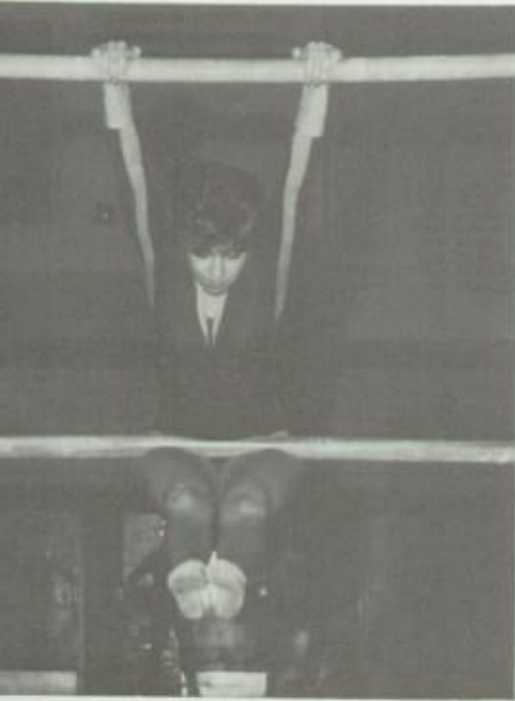

This year's Girl's Varsity Gymnastics team broke a losing streak of 30 meets. We also had our first league meet in three years in which we placed fourth.

This season was full of improvement. Two girls qualified for Regionals: Michelle Sigman and Stacey Haines.

With our new coach, Kathy Hart, we made the 85-86 a worthwhile season.

Better Netters break record for wins — 51 - 3!

This team played together like a team is supposed to play. They helped each other out on the court and if a mistake was made they would keep their heads high, tell a joke or two and keep after the ball. They were not quitters, which is proved by their remarkable record breaking 51-3 season. Also much of the success was because of the number of years of experience - for the seniors, this was their ninth year of volleyball. The dominating starting line-up consisted of five seniors: Sue Coscarelly, Mary Ann D'Alimonte, Michele Snider, Susan Spanitz, and Erin Ventura - and one junior, Rosanne Krach.

Young team shows a promising future

The girls track team, fighting both injuries and incidents, battled their way through a tough season. After two close defeats to league rivals Monroe and Wayne, the girls finished with a strong third place showing in the league meet.

With the benefit of experience gained in competition this year, this young team shows lots of promise for the upcoming season.

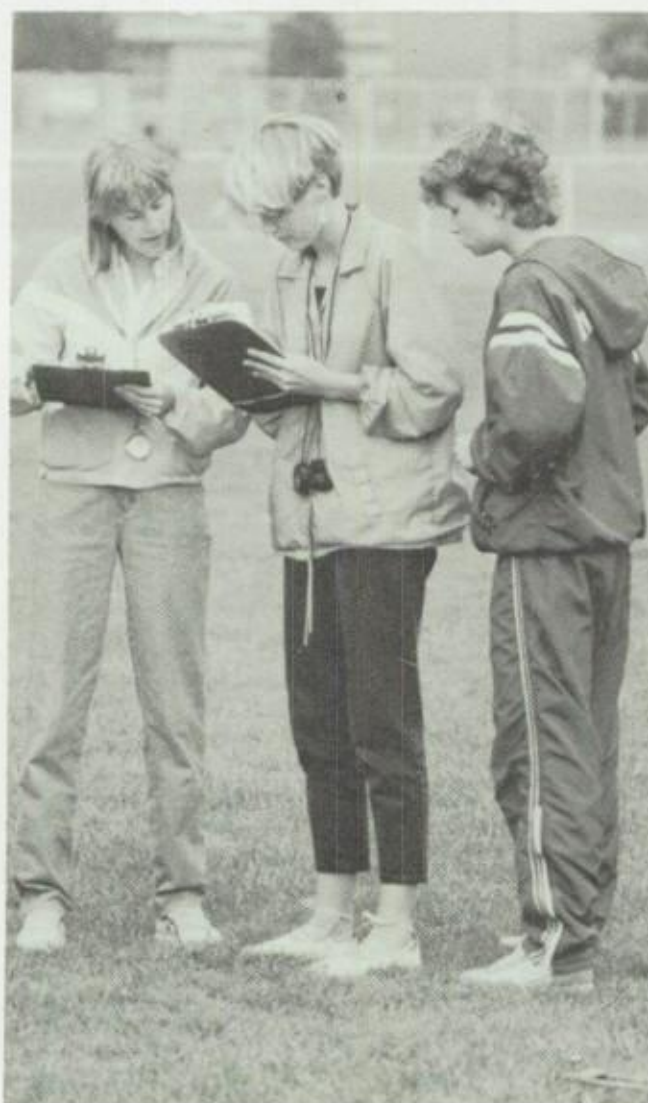

State qualifiers this season were Kristen Zanetti in the mile and two mile runs, and the 440 relay of Tonya Baker, Kathy Shrake, Shelly VanDierendonck, and Jillann Teichart, who almost ended the season with a new school record.

Lady Trojans win 29, finish 6th in state

The 1986 Girl's Varisty Softball Team had a young but productive team, consisting of five seniors, three juniors, and six sophomores. Coached by John Beidenbach, they broke the school record for most wins with 29, for team fielding average with .929, and most hits with 301. The highlight of the season took place in Riverview by capturing first place in the NewsHerald Invitational. Donna Weber, Sherri Polander, and MVP Bridget Mahalak were named to the All-Tournament team. One week later, Brenda McNeil was named to the Bedford All-Tournament team. Closing out the season, the Trojanettes were ranked 6th in the state for class "A", and finished with a record of 29 wins and 8 losses.

STUDENT COUNCIL

Student Council is the representative of the student body in terms of student government and a voice to the administration. The Executive Board and General Assembly combine their efforts to function with matters relevant to the welfare of the school population.

In addition, the group is concerned with numerous social activities. They sponsor Blood Drives and the Goodfellows Canned Food Drive. With their candy sale the Student Council presents scholarships to deserving seniors.

THS Student Blood Drive

When it comes to giving, you can count on Trenton High School. The two Blood Drives sponsored by Student Council netted the American Red Cross well over 200 pints of this needed and valuable life giving fluid. This effort by our student body continually proves their generosity and concern and makes us all pretty proud.

TROJAN TRUMPET

Since its inception nearly six years ago, the Television Production Class in the Color Studio in Trenton High School continues to be the standard others compare themselves to. The Studio is one of the most technically advanced High School facilities in the country. This year the studio was upgraded with the purchase of more "state of the art" equipment including digital effects, computer aided titles and graphics, and a computerized teleprompting system.

The Class is a two hour block that trains students on effective utilization of the industrial equipment as they will be expected to perform in the job market. Students in Trenton receive some of the most advanced television training in the entire United States. Geared for the serious devotee, Television Production is offered to juniors and seniors.

This years Monguagon Staff has worked very hard on the 1986 yearbook. Last years changes proved to be both popular and successful. Because of this, we again made changes and improvements in your yearbook. Hopefully it will be the best ever. We hope that you enjoy it.

On May 4, 1986, 84 students were initiated into the Athenaeum Chapter of the NATIONAL HONOR SOCIETY. This is one of the most coveted and esteemed recognitions given to Trenton High School students. Members are not only chosen for their academic achievements, but for their service, character, and leadership. These Seniors and Juniors represent the very finest from our student body and have earned this highly significant award.

RUNAWAYS, the fall show this year, centered on the lives of runaway teenagers. It was presented at the Michigan Forensic Drama Association contest where the group received a superior rating. They went on to win the district and regional titles and placed third in the state competition. Actors singled out for their excellent performances were Richard Klann, Kelly Fairall, Nora Mead, and Chris Donley.

You Like It, was chosen as the first semester Play Production presentation. This Shakespeare comedy provides a real challenge for the advanced students.

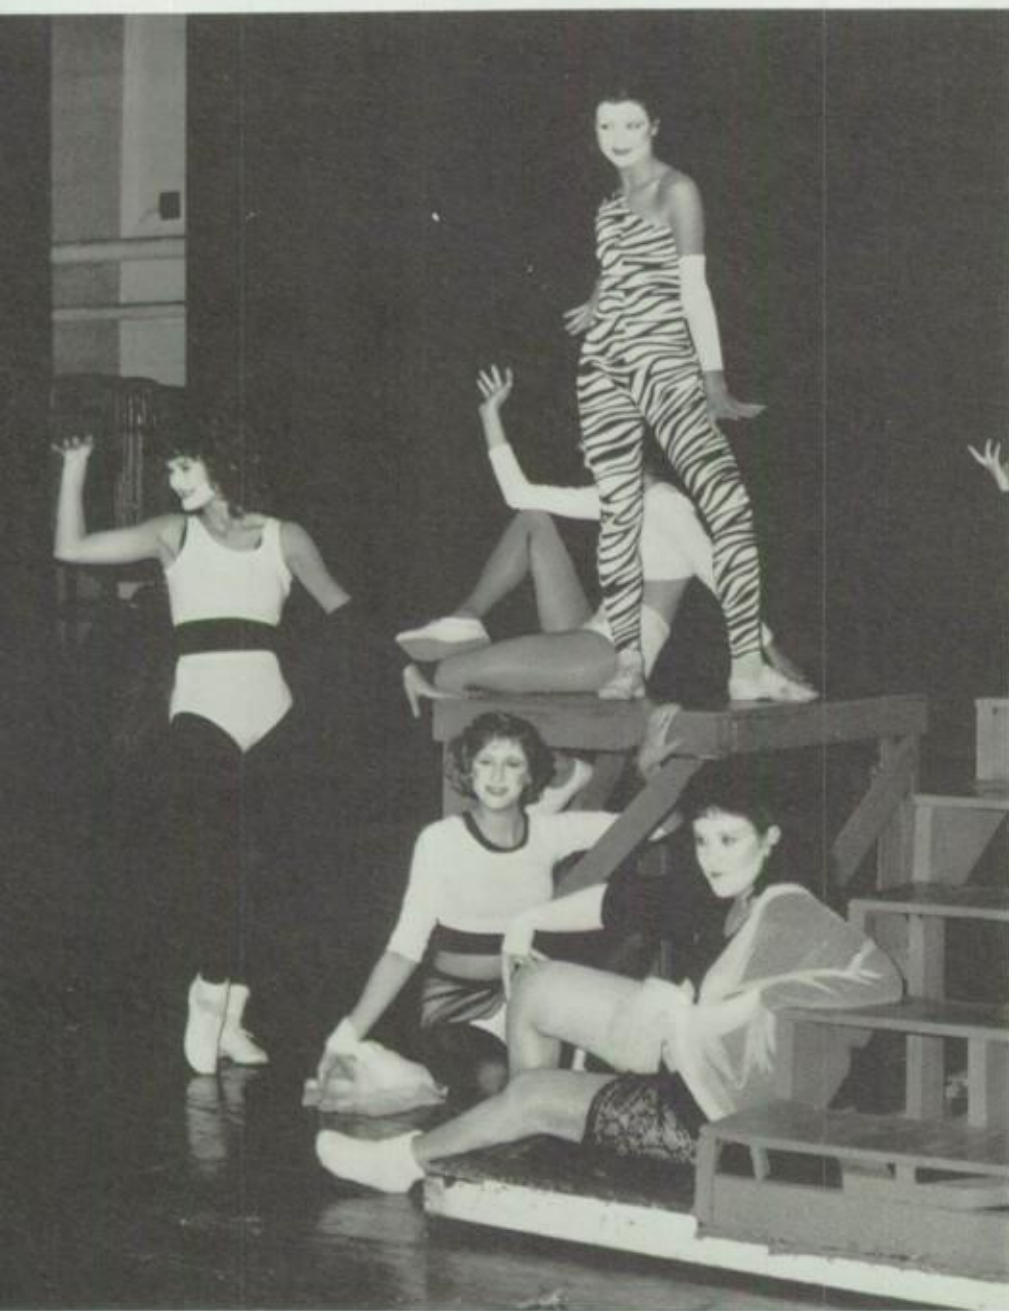

PIPPIN, this year's musical, returned to the production style of the WIZ. Exciting costumes, sets, choreography took us back to the age of Charlemagne and his son, Pippin. The Company, headed by the Leading Player, tries to draw Pippin into a love of fame and power, but he learns the play's true lesson of love. The show was the last for several outstanding seniors- Richard Klann, Nora Mead, Kelly Fairall, John Kopera, and Jerry Wesselman. These students have handled assignments usually carried by adults and without them it is doubtful if Trenton will perform further muscials.

On October 20, 1985 the first major theme dance of the year was held. The "Halloween Bash" was sponsored by the senior class. Over 450 students attended this fun filled night, which included refreshments, dancing, and various contests. Some of the winners were Steve Boller and Brent Dickman for most humorous costume and Shelly Sheffler and Heidi Kraepel for most original costume. Best Male went to Rob Toth and Joel Kieper. Best Female costume went to Tammy Garcia and Kristi Pahorny. They all received cash awards. Everyone had a great time. We hope next year will be just as fun filled as this year was.

Once again,

The ladies roped their cowboys at this year's Sadie Hawkins which took place on the 22nd of November.

75 couples had attended this year's hoedown.

Various activities were included such as the marriage booth that was ministered by Mr. Matthews.

The traditional farm setting photos were taken.

Also, to add to the fun, they had the Blind Horse Race, and the rope full. This year's dance was made successful by Mr. Leaply and the sophomore class.

WILLIAM "THE REFRIGERATOR" PERRY "Even when I was little, I was big," says the Chicago Bears' favorite appliance, possessed of a 22-inch neck, a 48-inch waist and 34-inch thighs. In October the 308-pound rookie drafted as a defensive tackle became the heaviest man in NFL history to score a touchdown off a set play.

A BABY BURIED ALIVE

Ever so gingerly, French rescue workers lifted the frail but living body of Jesus Rodriguez from the rubble of what had once been Mexico City's General Hospital. Jesus, just eight days old, was one of 24 newborns who survived burial alive by the August earthquake that devastated the world's most populated city.

As it turned out, the power of the idea and, not incidentally, the power of Geldof were enough to ensure Live Aid's success and a chapter in history for raising \$70.5 million from the 16-hour telecast.

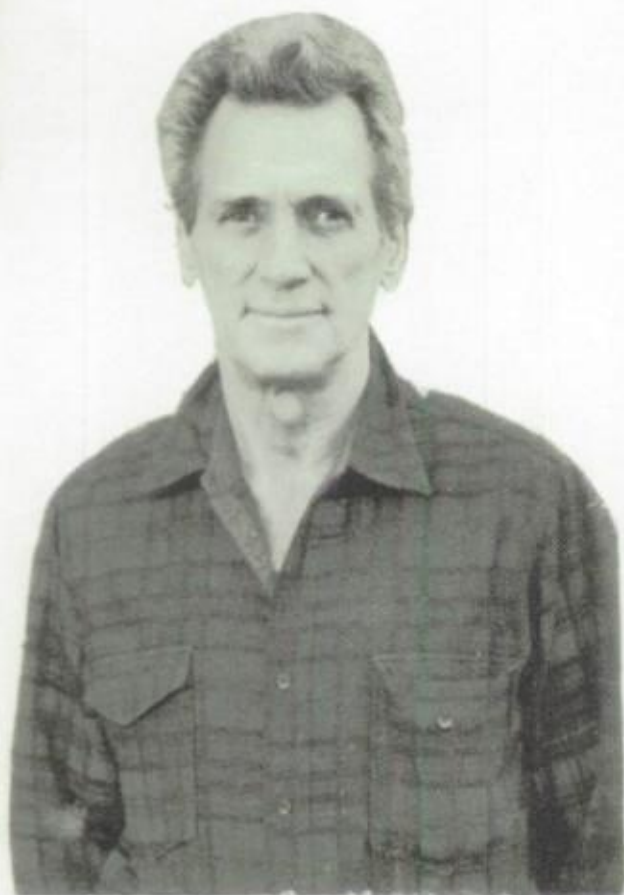

For the starving, 45 of the hottest produced the USA for Africa album, poster, video and \$37 million plus.

When things go wrong, as they sometime will,
 When the road you're trudging seems uphill,
 When funds are low and the debts are high,
 And you want to smile, but you have to sigh;
 When care is pressing you down a bit,
 Rest! if you must-but never quit.

Life is Queer, with its twist and turns,
 As every one of us sometimes learns;
 And many a failure turns about
 When he might have won if he'd stuck it out.
 Stick to your task, though the pace seems slow,
 You may succeed with another blow.

Often the goal is nearer then
 It seems to a faint and faltering man
 Often the struggler has given up
 When he might have captured the victor's cup;
 And he learned too late, when the night slipped down,
 How close he was to the golden crown.

Success is failure turned insed out,
 The silver tints of the clouds of doubt,
 And you never can tell how close you are-
 It may be near when it seems afar-
 So stick to the fight when you're hardest hit;
 It's when things seem worst that you mustn't quit.

"I must reject your rejection"

Keep pushing - 'tis wiser than sitting aside
And dreaming and sighing and waiting the tide.
In life's earnest battle they only prevail
Who daily march onward and never say fail.

In life's rosy morning, in manhood's firm pride
Let this be the motto your footsteps to guide:
In storm and in sunshine, whatever assail,
We'll onward and conquer, and never say fail.
